About Us

Green Powers Co.,Ltd

We have more than 10 years experience in manufacturing, handling, processing and exporting fresh fruits: Pomelo, Durian, Coconut, Mango, Longan, Passion fruit, Seedless Lemon, etc... located in Ben Tre province – one of the main fruit production areas in Mekong River Delta, Viet Nam.

At the moment, under brand names "Vua Bui" and "CocoQueen", we have been presented in more than 20 countries such as the U.S, UK, EU, New Zealand, Japan, Canada, Australia, Korea, Singapore, China and Middle East, etc. Green Powers has invested a modern production line that includes equipment and facilities for fruit handling, processing and storage, based on the technology transfer programmes supported by international and national organizations such as UNIDO, SIAEP, Nong Lam University, etc.

Meanwhile, we are confident to supply premium fresh fruits, with the motto: **PRESTIGE, QUALITY, SAFETY SUSTAINABILITY.**
